Dear Sir:

In response to the Notice of Allowability dated Sept. 25, 2000, changes have been made to the drawings and formal drawings are being filed (attached). One sheet of drawings is being submitted.

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Washington, D.C. 20231 on Nov. 7, 2000.

The changes are required by the proposed drawing correction filed on Sept. 25, 2000 (telephone interview). In the corrected drawing, Figure 3 now shows the missing solid line from the interface (360) to the I/O pad (370). This change has been approved by the examiner.

The corrected Figure is attached which is now submitted to advance this case to issuance.

It is requested that should there be any problems with the drawings, the Official Draftsman call the undersigned Attorney at (845) 452-5863.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'SBA', is written over the typed name.
